

SURREY CHRISTIAN SCHOOL

EDUCATING FOR WHOLENESS

Summer 2019

Dear Surrey Christian School Community,

I hope you are enjoying a summer that includes quality time with family and friends; and some moments in God's creation, whether that be by a lake, on a hike or simply in your backyard. I always feel that summer is a time to rebalance myself and get energized for the upcoming school year.

As I reflect on what makes me excited about Surrey Christian School, I think about the work our teachers put into creating formative learning experiences for our students. We are hoping their learning shapes them as engaged members of the Kingdom of God who are participating in what Jesus is doing in redeeming all things! We continue to grow in this area as we faithfully pursue our mission.

Once again, we welcome a considerable number of new families who are joining SCS this September. I hope you feel welcome and I trust that your children will transition smoothly into our school. For those of you returning, welcome back to another year of learning in God's kingdom. Please take some time to seek out new families and extend them a personal welcome to this wonderful community of faith and learning.

I look forward to partnering with you as we continue to work towards fulfilling our mission statement, *Educating for Wholeness by Engaging God's World in the Servant Way of Jesus*. Please continue to pray for SCS as we seek to follow Jesus in the day to day work of Christian education.

Thank you to those who have taken the time and effort to introduce yourselves to me over the past few years. In my eighth year I now feel like I know many school families and am grateful for that opportunity. Please feel comfortable dropping by my office at the Administration Office located beside the Fleetwood Campus at 8930 162 Street. I will also have a presence at all our campuses, and I look forward to meeting and reconnecting with you throughout the school year.

Yours,

David Loewen
Superintendent
