

COMFORT KITS FOR K-7 STUDENTS

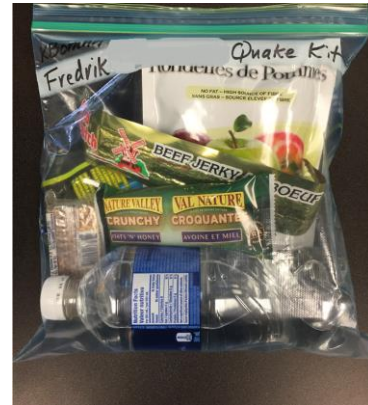

Summer 2018

Dear K-7 Fleetwood & Cloverdale Campus Parents,

It is time once again to prepare an “Earthquake Comfort Kit” for your child to provide him/her with some of the resources that he/she will need to stay comfortable should an earthquake or other disaster occur while at school.

Making the Comfort Kit:

- Please use a medium size Ziploc bag.
- Include a sealed bottle of water.
- Food items should be high energy, ready-to-eat, and non-perishable. Consider nut-free granola bars, dried fruit or fruit leather. Comfort foods such as a few hard candies or cookies are also appropriate.
- Include a 12-hour light stick if possible.
- You may also include a short note to your child and a family picture.

Be sure that all items can fit into the Ziploc bag and return it to your child’s teacher by **Friday September 14, 2018**. All bags will be placed in plastic bins and kept in each classroom. The kits will be returned to the students at the end of the school year.

Thank you for your co-operation.

Sincerely,

Danny Nagtegaal and Matthew Beimers
Principal
