UPDATING INFORMATION IN YOUR CHILD'S FILE

Information about your child needs to be kept up-to-date at all times. Please inform the supervisor of any changes of information such as: immunization records, change of address/phone number/email, changes in custody or authorized pick up persons etc. We will transfer all the information you provide into your child's file.

IF YOUR CHILD HAS ALLERGIES

If your child is allergic to various substances, this needs to be brought to the attention of the supervisor. If your child requires special treatment in case of a reaction (ie: EpiPen) you will be required to fill out a form, write a care plan and include any EpiPen/medication which will be kept well out of reach of children. If an EpiPen is required, a child will not be permitted to attend the program without their EpiPen.

MEDICATIONS

The centre keeps basic first aid supplies on site. No medication will be administered by any staff member, prescription or over-the-counter, unless a "Permission to Give Medication" form has been completed. Medication will be kept out of reach of all children. Verbal consent will not be accepted. Children taking prescription medication orally may only return 24 hours **after** the start of the medication.

IMMUNIZATION

All children who attend our centre are recommended to have completed all the standard course of immunizations. According to Fraser Health regulations, each child is required to have their immunization status on file at the centre. Please submit a photocopy of your child's immunization schedule and/or a completed immunization status form. If you have chosen not to immunize your child, please indicate on the immunization status form.

GUIDING AND CARING

Caregivers who are committed to nurturing and guiding young children create an atmosphere which fosters trust, security and comfort. We commit to using the following techniques to promote a calm, safe environment:

- ACT Model: Acknowledge the feeling, Communicate the limit, Target the alternatives
- Redirection: Guiding the child into an acceptable activity when they are engaged in an unacceptable activity
- Choices: Appropriate choices are given, and children are encouraged to choose for themselves
- Logical and natural consequences: Children will be made aware of the results of their action

There are also some harmful actions that are not permitted and will not be tolerated in the program:

- Shoving, hitting or shaking by a teacher or another child, or confinement or physical restraint by another child
- Confinement or physical restraint by a teacher, except as authorized in a child care's plan if the care plan includes instructions respecting behavioural guidance

- Harsh, belittling or degrading treatment by a teacher or another child, whether verbal, emotional or physical, that could humiliate the child or undermine the child's self-respect
- Spanking or any other form of corporal punishment
- Separation, without supervision by a responsible adult, from other children
- As a form of punishment, deprivation of meals, snacks, rest or necessary use of a toilet

CONFLICT RESOLUTION

When a parent has a concern, grievance, or complaint it must first be directed to the supervisor or parent involved in a manner of open dialogue with the intention of resolving the problem. If healing does not occur due to tension, lack of communication, etc., the Director and Manager shall be notified, and both parties shall meet with the Director and Manager in an effort to restore a healthy situation. If a satisfactory resolution is still not made, the concern should be brought to the principal and superintendent.

PARENT COMMUNICATION

- Throughout the year you will be receiving emails with reminders and information about the program.
- A communication book will be kept by the supervisors. The supervisor will record any pickup/drop off changes, days your child will be away, minor injuries, or any other info you would like the supervisor to know about.
- Be sure to make the supervisor aware of any events or problems that may affect your child's behavior, whether it be his/her health or just a matter of "getting up on the wrong side of the bed."

REPORTABLE INCIDENT POLICY

We hope and pray that all children attending our centre are growing up in a secure and loving environment. However, should a situation arise in which a staff member has reasonable grounds to believe that a child is abused or neglected, that staff member is morally and legally obligated to file a report immediately with Child Protection Services. We will maintain a daily log (bound book) which will include a description of any applicable reportable incident that may occur in our program. If you should suspect abuse in the center then you are required by law to report it to the Fraser Health Authority (604-587-3936/week days, 604-527-4806/weeknights and weekends) within 24 hrs. If there is a case of abuse within the center, it will also be recorded and reported to Fraser Health Authority.

FIRE DRILLS/EVACUATION

Fire and evacuation drills are practiced monthly and recorded. One earthquake drill will be performed annually. All staff, volunteers and other adults will be familiar with fire drill procedures.

EARTHQUAKE KITS

We will provide each child with an earthquake kit. It will contain the following:

- a nut free granola bar and rice crackers, juice box, dried fruit
- various activities to keep children busy (books, coloring, small toys etc.)

You are invited to add a family picture and a note. If your child has any allergies to the above items please provide your own kit, enclose in a Ziploc bag and give to the supervisor.

DISASTER PLANNING

In the event of a major emergency:

- If we are unable to return to our building, we will be located at the back of the school property. Once relocated, we will contact you regarding our circumstances and pick up procedures.
- No child will be dismissed from the center unless a parent or caregiver or other previously designated adult comes for him/her.
- No child will be released from the center with another person, even a relative or babysitter, unless the center has written permission to do so. With this in mind, please ensure that you have provided us with an up to date contact list.
- All parents, caregivers or designated parties who come for the child must sign for their release.
- Parents and alternate caregivers may not pick up child until all students and staff are accounted for and the supervisor approves the release of students.
- Please do not call the school. We must have all the lines open for emergency calls.
- Help us protect your child during a disaster, please be patient with the student release procedure.

We hope this handbook will help you and your child to adjust readily and happily at this important time in their life. We look forward to sharing many fun and meaningful experiences with you and your child.

Surrey Christian School reserves the right to make changes to this handbook at any time throughout the year. Any major changes will be communicated to parents/guardians.
