

SURREY CHRISTIAN SCHOOL

EDUCATING FOR WHOLENESS

Dear Parents and Guardians,

Thank you for your interest in Surrey Christian School. We are excited that you are considering partnering with us in this great adventure of Christian education. Our vision is to educate your child(ren) for wholeness by enabling them to engage God's world in the servant way of Jesus. This requires confidence that there is not one square inch of our world that does not belong to God, and that cannot be redeemed by the overwhelming power of His love. We believe that each student is created in the image of God and has an important and unique role to play in bringing His redeeming love to the world around them. It is a bold vision, but it is also very exciting and exceptionally worthwhile.

Enrolling your child(ren) at Surrey Christian School means entering into a partnership. It means your family and the school work together to encourage all children to find their place in God's story of salvation. It means working within the faith community of Surrey Christian School to, as much as possible, ensure that all children flourish and become fully alive in God's story.

While we endeavor to offer high quality education, we go much further by striving to equip children to serve the world around them, and to therefore be agents of transformation! Becoming a member of the Surrey Christian School community is a big decision, a decision that will forever impact you and your family.

When you have read through the material enclosed and decide that you want to partner with us, we invite you to return the completed forms to the office at either of the campuses. An interview with one of the principals will be scheduled once we have received all the necessary information. A check list is provided with this package to help with that procedure.

We look forward to meeting with you to imagine how your dreams for your children can be met through our vision for Christian education.
